ISSUE NO. 369

MAY-2005

HOORAY FOR HOLLYWOOD! It is just amazing how time flies by... already May, & the RUAEA Convention 2005 is just a short time away – **May 22 – May 29**. By now you have made your plans to attend the convention, and we are looking forward to welcoming you to this tremendous event. Here are a few things about your convention to share with you.

We have planned some great professional Hollywood style entertainment for you on **both banquet nights, May 27 & May 28**. The two groups we have procured for these nights will provide you with many memories, and take you down Hollywood's "memory lane". Coupled with the catering skills of Wolfgang Puck, plus your many friends, old and new, presented in the very area of the Academy Awards dinner, these evenings will truly be memorable.

There is transportation available from Union Station if you are coming in by train. You can either take Super Shuttle or Prime Time Shuttle. The Metro Rail system operates from Union Station as well; there is a rail station right at Hollywood and Highland for your convenience. Also, the information regarding Prime Time Shuttle is now in the website along with the discount coupons.

There is a great deal of information regarding the convention on the website: WWW.RUAEA.ORG. You will find the links when you click onto the Convention News area on the left side of the website.

When you arrive, the folks at the Registration Desk will have considerable information available for you throughout your stay. Do not hesitate to ask them if you have questions of any kind. They will be very pleased to assist you.

We are truly anxious to see you all at Hollywood & Highland. We know you will enjoy your stay in the "Film Capital of the World".

Just a reminder, please bring all necessary documents with you, your personal items, including any medications, camera, and also if you can, the various pages from the Registration Packet with the tour information & schedule of events.

TH-TH-THAT'S ALL, FOLKS!

GENERAL NEWS

WWW.RUAEA.ORG

FROM THE PRESIDENT

The Annual Convention is RUAEA's main event. This provides United Airlines retirees the opportunity to continue to renew our relationships and associations. The Re-LAXers have developed an outstanding program for us as you have been reading in the newsletter over the past few months. On Sat. morning two important activities are scheduled:

One, the benefit panel & discussion. Many of us have questions, concerns & interests in our pensions, health insurance and travel. These will all be addressed by principals from WHQ in the panel discussions, questions & answers, followed in the afternoon by individual counseling.

Two, our annual business meeting. This is intended to bring us all up-to-date on the business activities plus current status of RUAEA. A key item of business to transact is revising our Bylaws to bring them up-to-date. These revisions were detailed in last month's newsletter.

If you have not yet registered and made your reservations, please do ASAP. I am looking forward to seeing you in Hollywood.

In following the activities and developments in United Airlines, you have not seen or heard much in the media. Negotiations on the labor contracts with the IAM & AMFA continue. United filed a motion with the bankruptcy court to extend the interim wage reductions for IAM represented employees until the end of May. These were scheduled to run through April 11. The extension places these in sync with the timing of the interim reductions approved for the AMFA.

Negotiations continue with all the unions regarding the pension plans.

United continues to reduce its domestic flying and expand international schedules. Currently about 25% of United's flying is to the Far East. You will see this trend continue.

To keep up-to-date regularly access United's web site - Skynet - also call 1-800-EYE-ON-UA for the daily NewsReal & Glenn Tilton's message to employees & retirees. The NewsReal changes daily; Glenn's message to employees & retirees is

updated about once a week.

Marlin Lade
President - RUAEA

FROM THE EXECUTIVE VICE PRESIDENT

Marlin & I have been receiving a number of questions relating to the total of deductible/co-pay costs that participants in the UAL Medical PPO Plan can expect to pay on an annual basis for covered medical expenses. The **bottom line** is that the total annual out-of-pocket cost maximum whether for pre-Medicare or post-Medicare retirees (including the annual deductible of \$250 per individual/\$500 per family) is \$1,500 per individual/\$3,000 per family. Costs incurred beyond those limits are reimbursed at 100%. Participants are effectively self-insuring for the deductibles/co-pays up to the annual out-of-pocket cost maximum.

How did this come about? Well, the previous plans have always included a deductible & an annual out-of-pocket maximum. For pre-Medicare retirees, the deductible was \$200 per individual/\$300 per family; the annual out-of-pocket maximum was \$1,300 per individual/\$2,600 per family. For post-Medicare retirees, the rules were a little more complicated. If you were covered by the Supplemental/Traditional Plan, the deductible was \$150 per each individual, there was no annual out-of-pocket maximum but there was a lifetime maximum of \$150,000. If you were covered by the Comprehensive Plan, the deductible was \$200 per individual/\$300 per family, the annual out-of-pocket maximum was \$1,300 per individual/\$2,600 per family with no lifetime maximum.

Why then hadn't you been paying more for co-pays under the previous plan? The answer to that comes from the change from the prior Coordination of Benefits (COB) provision in the Comprehensive Plan Option to the current Maintenance of Benefits (MOB) provision applying to all in the Medical PPO Plan. Under COB, if you or your family were covered by more than one group health care plan, you could have received up to 100% reimbursement for covered expenses after application of the annual deductible. Under MOB, reimbursement from the United's Medical PPO Plan is adjusted to ensure that you receive the benefits of whichever plan is

better if United's plan is considered secondary. For post-Medicare retirees, United's plan is always secondary. If medical treatment is covered by your primary plan at, for example, 80%, then United will pay an additional amount only if its plan covers the treatment at more than 80%.

Again, once your annual out-of-pocket maximum is reached, the United Plan pays up to 100% of covered expenses not paid by the primary plan with no lifetime maximum. You are self-insuring for the deductibles/co-pays up to the annual out-of-pocket maximum.

The information reflected above is a summary of what has been provided in Virginia Grady's July 16, 2004 letter to all Retirees, the July, 2004 release of the updated sections of the Summary Plan Description for retiree medical benefits & the medical benefit program summary material which is on the RUAEA Web site.

REMEMBERING ED PIPER

Ed Piper, Past President of RUAEA from 1994

– 1996, passed away March 8th, 2005.

Ed was 17, just out of High School when he started with United in June 1943. His first job was at EXO in the Office Manager’s office. He was told to go for this & go for that... until he joined the military.

Ed served 2 years in the Military, then returned to United at EXO, became Assistant Office Manager. In 1948 Ed married Rose, a definite enhancement to his career. His time at EXO created the opportunity to run the Suggestion Program. Ed was Pres. of the National Suggestion Association of America. This started his career moving, literally. Ed provided Rose with the “opportunity” to pack up the family household & move to his next assignment LAXPE. Later, when a position in SFOPE became available, Ed gave Rose another “opportunity” to help pack up the family & move. The Pipers moved 4 times for United but 12 times as their family grew. Ed retired from SFOPE as Western Division Director of Human Resources.

After his retirement in June 1988 he & his beloved wife Rose, moved to Tucson. He was involved in starting the Roadrunners Chapter, which has grown to over 100 members around the Tucson area. In addition he was very active in his church, serving on almost every committee that was established.

In the 45 years of his career, Ed made many friends at United. He had a wonderful sense of humor, enjoyed people very much. There are many active & retired employees whose careers with United Airlines benefited because of Ed’s influence and support. We are all grateful.

He is survived by his wife Rose, 7 children, 24 grandchildren, 3 great-grandchildren.

Rose’s address for those who might wish to let her know how much Ed will be missed is:

MEMORIAL DAY

On The Beaches of Normandy Remembering Those Who Gave Their Lives.

During World War II, the Allies carried out

amphibious assault landings on June 6, 1944. In the ensuing battle, thousands of young men & women lost their lives. Not far from the landing site, there is now a very large well-groomed cemetery with a beautiful chapel at one end. In the chapel one finds an altar of black & gold Pyrenees marble engraved with the inscription: I Give Unto Them Eternal Life And They Shall Never Perish.

In graves in front of the chapel, lie the bodies of 9,387 service men & women. Each headstone identifies the person buried there, with the exception of 307 whose bodies were unidentified. Nearby there is a stone tablet telling of 1,557 men and women who died in battle but whose bodies were never found.

Walking through the cemetery is a heart-rendering experience. Tears come easily. Here are generals buried beside privates, blacks beside whites, Jews beside Christians, Americans from 49 states plus the District of Columbia & Guam. Each paid the ultimate sacrifice. All died for freedom. All died for our behalf.

As we prepare for Memorial Day we might well ask ourselves: Am I worth their sacrifice? Am I grateful to them? What might I be willing to give to bring peace and freedom to the world? Taken from the Scottish Rite Newsletter.

This Memorial Day let us remember those who gave their lives and the men and women who serve in our armed forces today.

Jim Fauber
Immediate Past President

The Desert Sunbirds met on March 9 at Casino Morongo - between Banning & Palm Springs. This was hosted by Tom & Karen Tischler. I believe everyone enjoyed the place. Food was great, so were the various gambling machines; Joyce Bossio said she only donated \$20. I donate nothing because I don't enjoy the machines. George & Loraine Lantz were unable to go due to poor health, but I was able to bring a portable dessert home to them ... John Osgood was a bit under the weather so he got a portable dessert. Elaine Aggson won the free birthday lunch because, as usual, the other celebrants (Bud Gimple & Sheryl Delaney) weren't there. Vic Swanson hasn't been well but now doing some traveling. Elmer & Billie White were down this way in April for an RV rally. Janis Ward & Sandy Sereno were playing in a golf tournament. Lynn Morrow was in PHX, Dave Podnar was volunteering at Wellness Center, Louie Horvath was in Guatemala.

Guests were Flora and Eloy Chavez; 2 new members - Beverly Seaton & Kathy Thorne.

With all the rain we've had the wild flowers are wonderful this year - both in the semi-desert & low desert.

Rubin Knight called to advise he's catching up with dues & that he will be going for knee surgery on 5/17/05. He hopes to be in great shape to join us at our next luncheon. His absence for the last few years is that he was a stand-in on "NYPD Blue", even appeared with a speaking part on the last episode. He'd like to do commercials in the future instead of a show as it is better for scheduling your private life!

Retiree Cazinski (sorry, I've lost track of your first name) called for assistance with a convention address, in our conversation he mentioned that his daughter (or did he say niece, oh, CRS hit again!)

knows Wolfgang Puck! They are very excited about having the dinners catered by him & think the entrée choice is just fine!

Donna heard from Peg Ballagh. We have missed them very much for quite some time, but ill health has taken over so they have not been able to get to the luncheons. Peg advises they do plan to attend the banquet at the convention. Their son will accompany them so they should get around just fine; enjoy renewing friendships. We'll be happy to see you - we've missed you at meetings.

I received an email from Jack Moore asking us to keep them on our list, but that they'll be absent from the next few affairs. Jack had to have some pretty serious abdominal surgery which will keep him around home for 3 months or more. Our best thoughts are with you, Jack - we miss you.

The loss of some of our friends from all our years at our jobs is always hard to report. With the wider & wider use of internet communications, many of you keep up with the latest, but we try to being the "unwired" up-to-date whenever possible. This month we were very saddened at the death of Nancy Toothman in March. I'm sure all her old friends will want to express their sympathy to the family. Write to the Toothman Family, 2056 Loma Vista St., Pasadena, CA 91104.

Some of the LAX & LAS ticketing & airport folks will remember Don Burkhart who has been living in LAS for several years. Don was on a much anticipated trip visiting friends & relatives in the Southeast when he was stricken by a very severe stroke while in GA. He never regained consciousness & passed away within hours. Don had been undergoing dialysis for several years & had to battle heart problems as well. I was so happy to have the memory of a very nice long lunch with Don & another LAXTO fellow worker, Lu Friel a short time ago on my visit in LAS. In case the Newsletter hits the "-net" before April 30 - the memorial for Don will be at 11am at Rose Hills Cemetery, 3888 S. Workman Mill Rd., Whittier 90601, Hillside Chapel, Gate 17. He was very close to his sister, Barbara, so send condolences to her: Barbara Perez, 1422 Echo Falls, Las Vegas, NV 89123 (702) 616-1754.

Another dear person to many of us, Edna Englert, Kay Englert's (retiree from LAXRR) cute, lively mom kept with us past age 102. She passed away peacefully at home where she'd been under

nursing care for some time. Send a note/card to Kay Englert, 2710 E. Washington St. #26, IA 52245 (319-354-5544).

With all of us so wound up in the convention it's hard to concentrate on another "event", but pause for a moment; mark your Sept. calendar for the LAXRR reunion on Sept. 24 at the Hacienda Hotel in El Segundo.

CONVENTION COMMENTS:

May 22-30 - HOORAY FOR HOLLYWOOD - BIG TIME! The more we visit the location of our 2005 convention the more we like & discover about it. It is so easy to get to places - public transportation is recommended as it is convenient & frequent to many places just beyond walking distances. It is easy to get around comfortably because the "Dress Code" is no code at all. You'll see everything wearable there. Travel light, rinse out stuff - wrinkled togs are very much "in". SO BE SURE TO COME, WE'RE "GONNA" HAVE A GREAT TIME.

(PS, it'll probably be quite warm, but with cool evenings.) The 2nd bus for PSP opened up space, so late additions are welcome ...

In June, on the 9th, back to our regular ReLAXers meeting schedule. Then the great picnic on Aug. 11.

Joan Brochu & Bernice Trullinger were our greeters on a beautiful sunny day at our March meeting. After all the rain we had the sunshine was much appreciated, as well as the cheerful welcome from Joan & Bernice. Pres. Ralph Trullinger called the meeting to order, Secy. Helen Cain read the minutes. Treas. Gene Walker reported that 548 members (not 589 that I reported last month) have paid their dues for 2005. Today we welcomed 4 new members. They were: Rick & Joann Eastman, Al & Elizabeth Sunde, Ann Lung & Sung Pun Byun.

We had a very successful Chinese Luncheon

with 160 tickets sold. We thank our Food Coordinators, Vera & Walter Kina, for making all the arrangements. Vera was named "Volunteer of the Fall Quarter" in the Foster City "Islander" newspaper. Not only does she give of her time to the UAL Retirees but last year she was VP of the "55-Plus Club" & volunteered at the Senior Wing Front Desk & as a trips & tour escort for the Senior Program. It's nice to have a celebrity in our midst. We also thank Jim & Helen Goodwine for their donation of baseball tickets to our raffle for the last 2 months. The money goes to our charity fund.

After our wonderful lunch we had another outstanding program. Co-2nd VP Tony & Kathy Hutt introduced the "Swingnotes", a ladies trio who sang songs mostly from the '30s & '40s. This was an exceptionally good group with wonderful harmony that you could listen to forever. Next month we look forward to having the "Bay Bell Ringers" as our entertainment.

Travel info: There are some good trips being planned. Ginger Dahlberg still has room on the Sept. 2-12 Baltic Cruise with 54 participants booked so far. If you are interested give Ginger a call at 650-224-1865 or email gingersfo@aol.com for info on that trip & others she may be planning. Betty Garner has planned a "Mexican Riviera" cruise out of SFO from Oct. 1-11 & a "New Year's aboard the Mississippi Queen" Dec. 26, 05 - Jan 2, 06. Call Betty for more information at 650-355-4195. SOUTH BAY RETIREES

Our Spring Luncheon, held on March 9 this year, was a success. We had a big turnout; the weather could not have been more perfect - a gorgeous spring day; the food & atmosphere at Michael's Shoreline was, as always, lovely. It was wonderful to see Elaine Kristen & Dwayne Howze in attendance. A big thanks to Marian Swanson and LaDonna & Gene Eggert for hosting this event.

Another major event this month was the 60th anniversary of longtime members Lew & Nancy Bacheller. The anniversary also coincided with a major birthday of Nancy's. The family celebrated with a cruise to Mexico, hosted by their son Joe, a retired UA captain & his wife Gay. Joe & Gay were guests at our March 18 meeting, at which time the group presented Nancy & Lew with a plaque commemorating their anniversary. It is the officers' plan in the future to honor all 60th wedding anniversary celebrants in this special way. Thanks to Lee & Barbara Ferrell for helping select the plaque.

Another milestone anniversary in March was for new members Ben & Cheri Scales, who celebrated their 40th. Congratulations to them also!

Also visiting in March was Jerome Koert, guest of Marion Gaevart.

Some of our members who have been ill are coming along. Elaine Kristen is continuing to try to solve the problem with her leg; Barbara Ferrell continues to recover from her surgeries. It was nice to see her at our meeting, she looks really great! Don Burla is continuing to recover from his rotator cuff surgery. Bill Reichert shattered his heel - will be in a cast for 12 weeks. We wish him well. Bill Arredondo had eye surgery. Jean Parkin had toe surgery; Fred Parkin is in a care center & continues to be in our thoughts & prayers.

Several trips this month, besides the Bacheller's anniversary cruise: Lois Rodriguez took another trip - this time a tour of Italy. David Saso & his family went to Cabo San Lucas. (Another happy event for the Saso's - their son had twin girls!). Charlie & Barbara Brown returned from New York. Jim & Marina Gallivan are back from Greece; they are fixing up a house there. Jack & Jeanette Fredricksen returned from HWI.

We are looking forward to our next event, the June 14 (flag day) picnic at Vasona Park. Tony Urso has 40 people signed up to date. Call Tony at 408-264-8580 for more information.

Also a reminder that Alice Frisch is collecting old eyeglasses for tsunami victims. Any donation will be appreciated.

The East Bay Diablos held their March meeting on the 14th with 31 members & guests. A discussion was held regarding the name change of our group; in order to include all the East Bay retirees, we agreed on this name.

We welcomed Dan & Judy Deford back also our new member, Judy Tiu - SFOTO.

A lively discussion was held regarding pension issues, but as there are changes continually, we will rely on the good information we receive from the Newsletter.

The toll free PDX Retiree Desk was praised as being very helpful & efficient. Thanks so much to all of you volunteers "up North".

Our picnic in June will be catered; we will be discussing the menu at our future meetings - all opinions are welcome. We will not be holding a meeting in July due to so many of our members will be gone.

DENVER MILE HIGHERS

The March 6 breakfast at Park Hill Golf Course was attended by 40 retirees. Marilyn Hankins brought her step-daughter, Romara Bohte - Romara brought her daughter Michelle.

Virgil Gooselaw returned his 50/50 winnings to RUAEA's stamp fund. Thanks, Virgil.

Members have asked how much Mile-Highers make saving pop cans? Tom Goodyear stated that in 2004 - over \$500. That is the reason our Chapter does not have dues.

Harold "Lobby" Lobsinger celebrated his 99th birthday 3/29/05. He says "Hi" to all his DEN friends. Congratulations & Happy Birthday, "Lobby".

Nancy & Tom Goodyear invited a friend for dinner (special guest, special menu - filet mignon). Tom was cooking the steaks on the outside grill - guest wanted his steak rare, so Tom left the one steak on a serving shelf. Time to put the steak on the grill, however, NO steak! Their dog, "Abby", was really happy - she had downed the entire steak. Luckily, Nancy had an extra one in the freezer. With the help of the microwave to thaw the steak - all turned out well.

Nancy & Tom Goodyear's granddaughter, Austyn Bruchs, was inducted into the Lewis-Palmer High School National Honor Society, Monument, CO, on 3/29/05. The entire family is mighty proud of Austyn. The Goodyear's daughter and son-in-law both work for UAL in Colorado Springs, CO.

Teena Davis, member of the Mile Highers advised that she used the PDX Travel Desk for the first time; said the volunteers were wonderful to her & it really worked "slick". Wanted to thank the PDX Volunteers and RUAEA for sponsoring the toll-free number; a great benefit for our retirees. (PDX Travel Desk phone # 1-888-278-7038 open M/W/F 10:00 AM - 2:00 PM - Pacific Time).

Good to see Lonnie Kemp at the March 26 mailing session - after a long absence. Join us

again soon, Lonnie.

It is with great sorrow we report that on 3/14/05 Cy Seim passed away suddenly from a massive heart attack. Cy always treasured his family & friends; he will be sorely missed by all.

Elaine Fluegel thanks everyone for all the cards, notes & letters she received while she was "under the weather". Happy to report Elaine is now at home recuperating - hopes to be "back" real soon.

Don Black has been ill; sure could use some "cheering up" cards/notes. Address: 8295 Johnson Ct., Arvada, CO 80005.

The Mile-Highers' picnic will be held July 13 at Heather Gardens Blossoms, 2888 S. Heather Gardens Way, Social hour 11:00 AM, lunch (picnic) 12 Noon - \$12.00 P/P. Send check payable to RUAEA-Denver Chapter. Mail to Harriet Ahr, 4576 Hooker St., Denver, CO 80211, phone 303-477-2918. Cut off date 7/8/05.

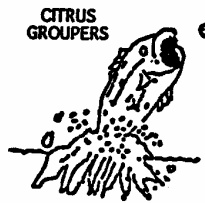

Calendar:

The Citrus Groupers met on March 24, at the Golden Corral, in Inverness, with 22 members present. After a good meal, we decided not to hold the business part of the meeting because there was too much noise & other distractions. This part will be postponed to the April meeting. We missed Frank & Maxine Wood, also Ralph & Ella Nardone. Both couples were absent because of medical appointments.

SAND“DABS”

Daytona Beach, FL
Bobbie Rieck
615 Yupon Av.
New Smyrna Beach, FL 32169
(386) 427-0514

Well, after a long absence from all activities, John & I finally got back to a Sand“DABS” meeting. I’m happy to report John is well on the way to recovery, dealing with an eye problem right now, which I continue to believe is the result of his chemo treatments. We’re hoping that the eye will respond to medications & will heal in time. He thanked everyone for the calls, cards, & e-mails. Anyway, it was good to be back & be greeted by so many people happy to see us; 22 joined together for lunch at the Red Lobster.

Our Pres. Dick opened the meeting. It was good to hear John give the blessing after our flag pledge. Steve & Lillian Moddle were off to Ft. Pierce whooping it up at a reunion with some long-time friends from “up north”. Andy & Jane Kress told me about a new great-grandson whom they adore. A funny story was told on Dick Russell. It seems on his recent 70th birthday after he, his wife & some friends returned home from having dinner out, low & behold there were 70 bright pink flamingos on his front lawn. Tacky, Tacky, what a hoot! Birthday celebrants present were Jane Kress, Bobbie Rieck & Jim Myer. Rick & Marion Johnson will be celebrating their 4th wedding anniversary this month – without a cruise.

Pres. Dick’s joke time was all about hurricane “preparedness”. Somehow duct tape got left out of the mix. It seems the best place to be in a hurricane is NE, but we hardy folks still prefer to stay in “paradise”.

After lunch Pres. Dick resumed the meeting with information on company status, an up-to-date on the medical situation, insurance, etc. All information will be forwarded to our members by e-mail. Everything else got put into the “who cares” file. It was a good meeting, many stayed to chat with each other.

THOUGHT FOR TODAY: The person who snores gets to sleep first.

On one of Florida's gorgeous days in this Sunshine State, 20 of us Sand“DABS” gathered at the Red Lobster. John & I are glad to be back in

civilization again. He is doing really well, feeling more like himself again. We were all so glad to see one another, it became quite a talkative session; our Prez Dick Coughlin had to call order by tapping a glass to get our attention to start the meeting. (We should get him a gavel.)

Andy Kress is celebrating 59 years seniority with United. We sure did clap for that. We're happy for him, but hope we don't meet him at the airport gate anytime soon, or we'd never get out SA. Some of us were on the move; Penny & Omar Logan were in TX. We learned that our resident photographer Bill Oliver won another award at the S.E. Volusia Camera Club. His winning picture was titled "Three Beauties".

Treas. Frieda Coughlin noted we are increasing our coffers slowly but surely, keeping us in the black. She also reported that our Sand“DABS” name was published in the Moffet Cancer Center magazine for our contribution in Dec. VP Steve Moddle reported an e-mail he received urging us who support our troops, to wear something red on Fridays. Dick's joke time was very funny.

Our Prez gave us some up-dated information about the company. All will be forwarded to our members via e-mail. Some news was good, some not so good. But, we were encouraged by a nice story from Dick Perry on his way to a family funeral traveling stand-by. It seems he was unable to get on board as the flight was full. A kind man he was talking with BOUGHT him a ticket on the next flight to be sure he got a seat & got to the family funeral on time. Yes, there are still some good Samaritans in this world.

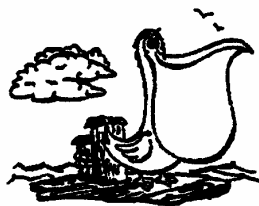

THOUGHT FOR TODAY: Why do you run after trouble, when you know you can get there by walking?

Calendar:

May 5 – May 5 - 11:30 - Red Lobster.

38 Pelican Drop-Ins & our two speakers enjoyed the last lunch of the season at beautiful Sabal Springs Golf and Racquet Club on April 1. Since Carrie Belluso, our Pres., was absent, Terry Gilkison, VP, took over & introduced our 3 guests who also became new members. We welcome them. They are Jack McClure & Wanda Schmoyer both from Fort Myers & Rex Davenport from Estero, FL. Wanda Schmoyer was a guest of Nancy Kopp. Terry introduced Bob & Joni Gainer, brother of Dick Gainer. They were guests of Bill & Eileen Burg. Each guest was asked to give a little information about themselves & what they did at United.

Next Terry introduced our speakers, Millie Lewis & Jack Krogulski, representative from the National Cremation Society. They talked to us about "What you always wanted to know about cremation but were afraid to ask". They had a short film presentation, then discussed the cost & what is provided with their service.

We were happy to see Carmen Kersky back at our luncheons. She had been sick for 5 weeks, is doing well now. Ray Winterhalter was on crutches suffering from Gout.

Arlene Walton is on very aggressive chemotherapy for her cancer. She is asking to be put on prayer lists ... God does work miracles. Please keep her in your prayers. Arleen is the wife of Harry Walton, Southeast Regional Director of RUAEA. Please keep Arleen in your prayers.

Tom McNabb wasn't at the meeting this month. He & his son, Rick, decided to spend 2 days in China shopping. All Tom wanted to do was to go First Class non-stop from CHI to Beijing. He got his wish, went First Class both ways! He even got First Class coming out of Fort Myers.

Terry Gilkison bought a new sail boat so you know where he will be spending his spare time. I don't think that Joan is quite as excited as he is about it.

Our next meeting will be a tour of the new Southwest Regional International Airport (RSW) on May 15, therefore, there will be no luncheon meeting. Instead we will meet at the United ticket counter at the new terminal at 1:30PM. Any United Retirees, family members, or employees are welcome to join us for the "Open House Tour". There will be access to all areas of the terminal without any security. The parking will be free for the tour.

Calendar:

On March 10, our chapter went to the Golden Apple Theater in Sarasota to see a performance of CATS, the Broadway Musical. Our group of 35 was seated right in front of the stage, we had a great view of the actors. First, we enjoyed a buffet dinner & drinks, then we all sat back & relaxed, (just like we do on our wonderful United flights).

Pres. Tim O'Donnell & his wife Bette did an outstanding job of coordinating this event; everyone had a great time.

Spring is here. We had a great turn out for our April meeting, 18 folks were in attendance at Johnny's restaurant along with a new member, Jack Schramm. He retired out of ORD in 1993. We are very glad to have him & his wife, Patti, join our outstanding group. In a survey, it was nice to hear that United was the only major carrier to improve services. Hopefully, this will help improve the situation. 6 members from the Treasure Coast

Chapter will attend the convention in May. Diane Brodis will be taking my place as correspondent. Several of us are going to a dinner/comedy show this Thurs. We have seen one of the comedians before & know we will enjoy the show. The next meeting will be our annual picnic. It was decided that we'd pitch in \$3.00 P/P & buy food already prepared. What is not covered will come out of the treasury. Hope everyone likes peanut butter & jelly sandwiches - just kidding. Birthdays for April include Jorge Dias on the 1st, Paul Liebisch on the 25th. Elizabeth Armstrong & Barbara Dodenhoff share birth dates on the 28th. John & Helen (me) Koerber have an anniversary on the 7th. Ron Brodis, husband of Diane, has pneumonia, but is improving. Get well Ron. Jorge Dias won the 50/50 drawing - \$27.00. Diane Brodis won a free 50/50 ticket by answering the trivia question in what year did the 'Mileage Plus' frequent flyer program start? She gave the correct answer of 1981. From 1947-1957 United's first inflight magazine was called the "Mainline Traveler". The UA & Capital merger was on June 1, 1961. Now to this month's trivia question. In 1954 a record-breaking flight of 16 hours 51 minutes was from where to where & introduced what airplane to United's fleet? If you know the answer, come to our meeting & get a free 50/50 ticket. Next month's meeting is our annual picnic; will take place at Sandsprit Park in Port Salerno. Do you want to come? Ned Yundt opened our meeting on April 4 by welcoming all attendees (24) & 1 guest, Bev Olsen of Boise -- a retiree from what she calls "the Old Frontier Airlines." She said it was great to see so many of her UAL friends again.

Of all the important events going on & coming up this spring & summer, we wish Roni & Chic Adams a very happy Golden Wedding Anniversary on April 9.

Winning First Prize in a contest for the best & most original Easter Bonnet was our own Shirley Law. Not to be outdone, Wilma Anderson modeled a 1950s blue sun dress, by taking a barefoot twirl on the lawn of the old train station in Nampa, now a historical museum. The occasion was an elegant Victorian tea & fashion show, with proceeds going to the Canyon County Historical Society for preserving clothes, quilts, books & related items, donated by Canyon County families. Wilma is one of several models, known as "Calendar Girls," because they are featured on the organization's 2005 calendar. The story & Wilma's photo were featured on a quarter of one newspaper page in *The Idaho Statesman* on Mar. 26.

Bob Smith reported that his granddaughter has graduated from Law school, & is now working with Sen. Ted Kennedy's Judiciary Committee. Bob visited her last week in Washington, DC.

Marian Odom updated us on the GEMS' gift of a B-737 model to the City of Boise, for display at the airport. It is now in place & shortly will be accompanied by a plaque identifying the model aircraft as having been donated by the Boise GEMS.

Coming up on July 23 is our Annual Memorial picnic at Flora Tanguay's home in Meridian. June

14, 6 p.m. dinner at Jaker's on Park Center Blvd. Sept. 3, Labor Day picnic. Dec. 13, Christmas party & dinner at the Shriner's Club, El Kora, in downtown Boise. Details later. To complete the theater trip to Garden Valley, we still need to know which show you want to see. Dave will take us there in one of his busses, with dinner beforehand in Horseshoe Bend.

Bill Smith continued his monthly briefings on how to protect yourself from crime. This time the subject was identity theft, which is rapidly becoming a leading cause of crime in this country. The thieves are getting very sophisticated, but there are ways to limit your exposure. He gave us some excellent tips. Next month, home security.

It is with great sadness that we report the death of Frank L. Schell, 78. He will be missed by all. We extend our sincere condolences to his wife, Wilma, who is still recovering from pneumonia. Services have yet to be announced. Frank died Mar. 10 at a Boise hospital. Also, Mary Marchetti, 84, died on Feb. 17.

Charlie Law is at the Veterans Home in Boise. Shirley assures us that he is receiving the best of care. Still sidelined are Betty Archibald, & Al Cox. Al is presently on oxygen. Walt Anderson described his gall-bladder operation (lapriscopy) as a "piece of cake."

Calendar:

VROOOM what terrific & unexpected surprise to see & be greeted by such a large & lively luncheon group. A wonderful surprise especially since the previous luncheon was so very small consisting of Mary Szabo, Norm Pearson, Ron Madsen, Beverly Connor, my brother Tony & me. It was great saying "hello" to Lillian & Roe Mallstrom back from their annual escape to Mexico, looking wonderful, saying hello to energized Tony & Helen Stefanos. A very thoughtful item was the gift of Marshall Field chocolates by Beverly Connor & Rich Surma. I am sorry to report that I misplaced the card with the names of 2 new guests I hope they enjoyed themselves & plan to attend again. It was good seeing Stefanis Simpson after an absence, to greet Mary Gray smiling again, of course, Mary Szabo & Norm Pearson were very attentive, Ron Madson with his enthusiastic energy. Rich Surma was very

caring & helpful. All in all it was great luncheon.

Looking forward to next LOOP LUNCHEON in May, hoping to see you all.

Spring is finally here...the grass has turned green, the trees are giving birth to their new foliage; yellow day lilies have blossomed everywhere. This has got to be one of the best months in the year. The only problem with these beautiful days is the drop in meeting attendance. Our March meeting, which was a cold miserable day, was one of our largest with 40 people present. Our April 9 meeting was a beautiful sunny day with 18 people attending. For those who were not present, you missed a delicious birthday cake provided by our Pres. Wanda Bryce. Each month, we have been sending birthday cards & we close each meeting with birthday cake for those who have matured another year.

Updating illnesses and/or surgeries as well as vacations, I am happy to report that Charles Theiss has informed us of his wife's successful hip replacement surgery. Lelia is doing quite well, improving daily. Mike Quilter remains in The Hearth at Windemere in Fishers, IN. If you would like the addresses for these individuals, please call or email me, I'll be happy to provide them to you. Jim Gibson & Christiane Steele are vacationing in Spain & France.

The Nor'Easters March meeting will occur after this newsletter is published. Little to report, as we also didn't hold a Jan. or Feb. meeting. Kudos to any Nor'Easter who made plans to escape this winter. Extremely cold & more snow than normal. Worse, it isn't over yet. Woody Withrow & Christine are back in FL, looking for a place to buy, to become Snow Birds.

March 15 was Ed LeClair's birthday, 2 days earlier, his anniversary.

Received some facts from a currently employed fellow CSR I'd like to share. Current CSR's just had to accept an 11.5% pay cut on top of an earlier 14% pay cut, however, management received a 4% pay increase. I'm sure most of you know by now, last month, rank & file got a 5% pay bonus, while management got 40% bonus. Imagine, 5% of your pay, compared to 40% of managements pay. Quite a disparity I would suggest. Now, United has bowed out of the pension program, which will affect some retirees. RUAEA, are you listening?

The Nor'Easters welcomes 3 new members, Lynn O'Hare-Monroe, DCASW; Lawrence J. Cunningham, ORDFI; & Jacqueline Allen, spouse of a PHL retiree.

The Nor'Easters March meeting, first of the year proved to be a good time. We met at I-Max theater surround movie, excellent! Then 52 members met for luncheon at the Lord Wakefield Inn in Rading, MA. First time here, very good food & accommodations. Our thanks to Marie Dwyer, for her work with the Inn, ever procuring donated chits for free luncheons & dinner, which we raffled.

This was our 10th anniversary meeting, a sheet

cake was provided by our executive administrator George Mavreles. We had pictures from our Christmas party, our 1st, 2nd & current new logos. We also had A Mainliner schedule from 1946. Quite a difference from today!

Bill Shailor won our newly instituted chapter free luncheon. Bill Shailor, Bob Austin & Ray Forster won the free meals provided by the Inn. Our 2 prize winners Bill Shailor & Peter Fusco also shared birthdays this month at 83 years young, each. Erwin Leder, who hasn't been able to attend meetings lately, asked to be remembered to his friends & fellow retirees.

From our questionnaires mailed last month: We will be mailing a list of member names, adds, phones & e-mails to all. Still looking for those who can share a ride. Received a 50% response for a nighttime activity, which we'll look into. We still encourage each member to investigate a new meeting location.

John Norton, retired BOSFF passed away recently. Although not a Nor'Easter member, he was well known by most.

We were much saddened to hear that Sally Stevens, flight attendant, left this world to continue her life eternally. Sally had just joined the Escapees last year. She only attended one meeting before she became ill, but she called every month after that, to advise me that she wasn't feeling up to par also to assure me she was not a "one timer person"! Unfortunately for us, God had different plans & wanted her home. There will be a memorial service planned for May 14. If you would like more information on this, please contact

a friend of Sally's, Marilyn Petrich, seawitch808@aol.com. Our Love & Prayers to husband, Larry, at 1805 Shankin Dr., Walled Lake, MI 48390.

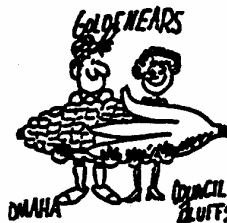

We were also sorry to hear fellow Loonie; Gene Lydon has left us. We will surely miss his stories that were so entertaining after our dinners at our semi-annual affairs. Our love and prayers to Marilyn at 1403 Whitespire Ct., Naperville, IL 60565.

Sorry to have to report only sad news this time ... so **Please** everyone – **BE WELL**.

Harry Southard passed away March 2 from complications of having a valve replaced in his heart.

Jacki & Andy Vassios celebrated their 50th Wedding Anniversary on Feb. 25 with a dinner with their children. Jacki & Andy met while they were both employed by United in DEN. Congratulations!

Paul Steuri is still in rehabilitation after falling & breaking his hip. He should be released from Plattsmouth Manor in the near future.

Our June meeting is a picnic at the Bradens. This will definitely be the last as they are selling their farm. Jim is contacting a number of retirees from far & away who may want to come. He asks

that if you know of anyone who might be interested in attending let him know & he will contact them.

Lorraine Stanfield spent 2 weeks in Denver, while there called on Vince Manhart. She said he is finished with his chemo; however, his feet & ankles are quite swollen, so it is hard for him to get around.

Bob Cuff, RUAEA Western Region Representative, attended our meeting & spoke about some of the current development at UAL, including pensions.

Lynda Klemm was the winner of the special prize drawing for those wearing green for St. Patrick's Day. March birthdays were celebrated by: Maurine Williams & Martha Knutson, a sympathy card was circulated for Nancy (not Jean) Hilz, the widow of recently deceased Kurt Hilz. There were no new members this month. Kayla Kelly, niece of Kathy & Joe Robinson, attended as a guest.

Patricia Steenrod contacted several area restaurants for consideration due to the disastrous service we received in Feb. In order to change our venue & retain the service of separate checks, we would need to meet on a Mon., Tues., or Wed., or we could meet in the morning. The group voted to stay at the Red Lobster since the service was 100% improved in March. For the time being, we will continue to meet at Red Lobster. A big thank you to Patricia for taking on the negotiations for us.

Another big thank you to Roberta Wagner for handling badges for us. If you need to order one or

Many in our group are playing the part of "Snow Birds" in FL or other warm parts of the world, a few had the flu & then came the weather. Weather for the past week has been the worst we have had all winter.

Ralph Loffert just had to tell us his newest story.

April 5 was such a beautiful day for our luncheon. It was a good feeling to leave the coats & umbrellas at home for a change. It was also a special day for Marge Segal celebrating her birthday. There were 30 people present including first-time attendee, Steve Fontakis, who retired in Feb. from JFK Onboard Services. Guests were Cindy Simmons LAXSW; Evelyn Tuaeak, JFKSW; Rosemary Bechtler – all recent retirees.

It was good to see all the Snow Birds – Lucy Hirst, Liz Armstrong & Marsha Sullivan returned from FL. Anne & Don Dean had a great trip to the Mayan Peninsula in Mexico aboard the "Wind Surf" cruise line. This was their 3rd experience with this company – they highly recommend it.

I will not be reporting on the April meeting until next month as the deadline for the column as been changed back to the first week of the month.

Marilyn Woods had surgery on her knee again in March; hopes this will be the last time. Merle Pitman was in the hospital for a week with a blood imbalance & stomach problems; however, Lois says he is improving.

I am sorry to report that Ed Loewen died on March 19. He retired from PDX after 27 years of service. One of the things noted in his obituary was his love of gambling, especially the slots. Isn't it amazing what you learn about a person after their passing. Our condolences to his family.

There will be a speaker at the May meeting,

Phil Janney an attorney, who will discuss estate planning. Don't forget to mark your July calendar for the annual picnic that will be held again this year at North Clackamas Park

Please everyone, I need your cooperation when it comes to significant anniversary's & birthday's. Please let me know when someone is going to celebrate their 50, 60 or "more" anniversary's & 80, 85, 90 or above birthdays. I would like to acknowledge you in my column. Thanks!

We welcomed 36 great retirees to our March 14 luncheon at the Ramada Inn. Each luncheon always brings a new retiree or one we have not seen for years. That makes our get-togethers so important.

Our new officers: Joe Bradley-Pres., Bernie McNamee-VP, Tom Lyons-Treas. moved right into action.

Tom Lyons read & underscored some of the vital points in Marlin Lade's report in the March issue of RUAEA Newsletter. Those concerns are near & dear to all of us, active or retired. Many issues are still pending or deadlines have been extended. It is reassuring to know we have a represented voice in company discussions affecting retirees. Your RUAEA & local newsletters also websites are excellent sources of retiree updates. We encourage you to stay in touch.

Our luncheon program was delightfully musical this time. Brian Meneely, Associate Director of

Music Activities at Villanova University & talented tenor, entertained us with selections that kept the crowd energized. Brian has performed with major orchestras in Europe & the US including The Philadelphia Orchestra. He has conducted choruses & instrumental ensembles at all levels of education, elementary through college, as well as professional. Since it was almost St. Patrick's Day, Brian sang a medley of, you guessed it, Irish tunes. The audience joined him in song with "The Irish Lullaby" & "When Irish Eyes Are Smiling." Brian sang "You'll Never Walk Alone" and "Dream The Impossible Dream" among other favorites.

The Irish sing-along prompted a mini Open Mic session where guests were invited to the mic. We had 3 takers, Bernie McNamee, Al Edwards, & Lew Meyers. They told a few brief but funny stories. When the luncheon was over, everyone left either laughing or singing. That is an excellent recipe for each day of your life.

Let us know of speakers that would be of interest to you.

Don't forget to join the \$1 a week club. See Frank Eggles for membership.

The Pit-Stoppers luncheon held on April 15 with our guest speaker, Marlin Lade – RUAEA Pres. will also be covered next month.

Hopefully we'll see many of you in Hollywood at the National Convention. What a great feeling to read about all the new members joining RUAEA.

Our roving reporter Al Larimer reports that Jim & Lois Doolan were both under the weather. Jim & Lois were returning from their frequent HNL/

Carl Chiocchi is recuperating nicely from his treatments. Patti Ellis thanks all of her friends for their prayers & cards.

30 members & guests met on March 17 at the Edison Park Steakhouse in Farragut. Being located in a private section of the restaurant was conducive to conversation; the meeting which followed a well-received lunch. Our thanks to Les & Jo Ann Swallow for hosting our get-together in a delightful place that not many of us had previously visited.

Carol Faust, our Regional Director, & her husband, Bob, flew in for the day & were our special guests. It was also good to see Bill & Joyce Martin after a long absence. Although John Grindle had joined us at our Feb. breakfast, it was the first time he & wife Pat had attended a meeting. John filled the group in on his long & varied career which ended in Burlington, VT last year.

Another special first-timer was Mary Gilbert, who had been a dues-paying member for a couple of years before being able to attend one of our functions. Mary's air biz career started out with Eastern, but she finished up with UAL as a flight attendant & continued exploring the country in a travel trailer as a work camper. Although she lives in Corryton, Mary is planning to work this summer at Grant Village in Yellowstone National Park. If you visit there during the next few months, stop in to say hello.

Our sick list never seems to go away. Art & Marilyn Christensen are both fighting health

problems. Also, Fred & Ruby Green are continuing to confront life's challenges.

Much of the meeting centered on UAL's status in bankruptcy court & beyond. Rising fuel costs, higher security charges, the inability to raise domestic revenue levels continues to put the squeeze on our opportunities for recovery ... no news there. Some are rightfully concerned about insurance coverage if/when the PBGC takes over a pension plan. Carol Faust shared information with us from Marlin Lade & Mort Wax. We appreciate all they're doing on our behalf.

After the meeting a number of attendees went to the nearby Admiral Farragut museum, which includes artifacts & memorabilia of his life & times. From his long distinguished naval career, most are apt to remember his famous slogan "Damn the torpedoes, full steam ahead!" at the Civil War battle of Mobile Bay.

On March 16, 31 chapter members met at the Chuck-A-Rama restaurant in Bountiful, UT, where we welcomed a number of new and/or seldom-seen retirees: Pat Byrne; Bob Turgeon; Andy Gallegos; Mont McEwen. We also had a brand-new SLC member Jack Dean (retired SFOFF) join us; Keith/ Nancy Tronier, Gray Lowry, Geo. Nihipali, & Meda Sharp (Bob's widow) visited with us today; Doug Schwartz brought a lady-friend, Rayma Atkinson - welcome to all!

A thank-you to Mary Blackhurst who, when paying her local dues, also included a nice sum for the local postage fund. Most of you are aware of the fact that it was Mary who conceived the idea of starting a SLC RUAEA chapter in the late 1970s; in Oct. 1984, it finally took off, full-fledged. Thanks, Mary!

We missed some regulars: Tony/Dorothy Brown & Art Scott. We hope all is well with them. Sandy Cantonwine reported that Aletha Cannon (Hugh's widow) is recuperating from a very recent knee operation & today's telephone call to her daughter Shirleen Kohnlein confirmed that her mother is doing very well, to be released from her convalescent home in a couple of days.

Doug Peterson, who stays in touch with former RR coworkers, mentioned that Billie Smart had moved from the SEA area to a quieter place in ID. Doug also mentioned that SLCRR retiree Jerry Hugentobler is still recuperating from his heart attack.

SLC retiree Maria Apperson (Bill's widow) moved to HOU called recently from TX to tell she is enjoying the warmer winter climate. She & former SLCHH coworker Nancy Tronier are good friends & staying in touch with one another.

Earlier this month, this correspondent visited Marge Ringer (Bob's widow); she is doing all right on oxygen. Occasional visits to Leoma Williams (Speed's widow) show her in good spirits, although she, too, is no longer able to visit the group, for health reasons.

Bill Berg confided that he was glad to be alive after a horrifying experience on Hwy 25, just north of DEN: Sometime last week, when returning to SLC during snowy/icy road conditions, his car fishtailed & landed in the ditch, *upside down*. Being a conscientious driver, he had buckled up & was rescued by the summoned fire dept. personnel, after 45 minutes of being stuck in the car. Today, we were glad to see him in good health with only minor muscle aches.

Bill Ottman, at this meeting without wife Shirley, showed our group a very professionally put together photo/essay softcover book published about the recent flooding of the Virgin & Santa Clara Rivers near St. George, UT. His family's two-story home was in good condition, while their neighbors' houses showed flood damage. At least one home was totally destroyed by the rivers' rage, as reported on TV.

People are being warned to cut back on personal use of water as well as alternate days of watering lawns.

Our April dinner was held on April 9 at Prospectors restaurant on Highway 395 & Hastings on the North side. It was hosted by our newest members, Sandy & Jeanette Johnson.

I am not 100% up-to-date on the news in Spokane. Lance & I returned on Easter Sunday, are finally unpacked & ready for whatever lies ahead. It was a cooler & rainy 3 months in CA but we didn't have to shovel any of the white fluffy flakes. There were many more good days – had a great time.

Today Lance & his Dad are golfing. Chris & Lee Anders & their daughter Ali, retirees from Phoenix visited us in PSP. Weather wasn't the best, but very tolerable. It was a fun time.

Sorry I did not get a message in the April Newsletter. I did not have the use of my computer or fax. It was all packed & on its way home.

On March 9 (a chilly day) a good size group appeared at the Golden Corral for a delicious lunch & friendly conversation with our fellow retirees & guests. There was no speaker that day. Ideas flowed freely! Some of the members are entertaining the idea of RUAEA Convention in LAX May 22-29. This correspondent has made plans to attend, even booking a full-fare ticket, since it is Memorial Day weekend!

We learned of a fabulous train trip that Dulles Loungers member Pati Nathan took in Nov. 2004, with her mother & daughter. These 3 generations departed from LAX aboard the American Orient Express, having joined with the group at the Ritz Hotel in Marina del Rey. The first stop was San Simeon (home of publishing mogul William Randolph Hearst) where they enjoyed a tour of this fabulous landmark property. The train continued on to PDX for more tours of the area. This tour by

train took 7 days & concluded in SEA.

This correspondent spent 3 very cold days in New York at the beginning of March; had a great time looking at “The Gates” in Central Park (the orange draperies that cover 12,000 wooden gates located along all the pathways). In spite of very cold weather, we enjoyed 2 musicals, bought more hats & gloves from street vendors (very cheap!) even found time for a pastrami sandwich at the well-known deli “The Stage” ... Time Square is well lit & cleaner than I remembered it last time! There were lots of police on duty; we felt quite safe at all times.

Calendar:

May 11 – 12:30 pm, Golden Corral Restaurant, Manassas, VA

June 11 – “Pig Pickin & Picnic”, at the home of David Cox in Manassas, VA. Fee \$10. Telephone (703) 368-7696.

Correction:

In April issue, Karl Galda's letter - Address should have been *c/o Ralph Fernandez, Park Hudson (503), 9060 Palisade Av., North Bergen, NJ 07047*. Please accept our apology.

WE HAVE RECEIVED LETTERS FROM:

Note: In the "Letters" section of the April Newsletter, we printed a letter that was received via e-mail BUT NO NAME was included. The gentleman did come forward! It was: Colin A. Cooke.

Norma Ross, 901 Mystic Dr., Grants Pass, OR 97527

Just received my first copy of the newsletter & am delighted to find some old acquaintances mentioned here & there. I understand why my name wasn't in the new membership list this time; I can't remember if I gave my maiden name also old title. Norma Haines Ross, SFOSW. I am sure we are going to enjoy the newsletter. Thank you for all of your efforts.

Jeanne Leo, 420 E 55th St. Apt. 2S, New York, NY 10022

My April Fool birthday reminded me to pay my dues to RUAEA. I was in Palm Springs recently & won a little extra money at the casino, so I'm passing some of it along to you to pay for postage.

Thanks for the great job you do with the Newsletter.

Miachel J. Pasquerelli, 5145 Barcroft Dr., Barrington, IL 60010

Like all RUAEA members, I am very thankful

for the NEWSLETTER; thank you for the Happy Birthday greeting & reminder to send in my annual dues! All in RED INK! I LOVE IT!

More than ever, the monthly Association NEWSLETTER is a critical link to keep all of us retirees informed. It is very gratifying to know that every one of us have a common bond, no matter what organization we worked in. The bond is: we care for one another. Also, all the good people staffing the Newsletter are the best.

I want to say that the changes of the By-Laws are good. The best is ARTICLE II, the addition of being a PROACTIVE voice for UAL retirees!

A good example of how the Newsletter brings us together is the closeness I felt when reading the letter from Frank Wood of Ocala, FL in the April issue. My first day at United ORDMM was 9/28/59. With the winter schedule change at the end of Oct., I was assigned to the inaugural midnight shift for ORDMM. Frank was my first Foreman as a young Probie new hire. Among various assignments we worked together in various capacities. After a few years, Frank added me to his Aircraft Maintenance Instructor staff. This proved to be my real "calling" with United.

Ken & Lily Woehlck, 516 Orange Dr. #25, Altamonte Springs, FL 32701-5304

Thanks to everyone for servicing retirees with this wonderful newsletter. All you guys & gals are very appreciated. It's the best buy around too. My husband & I fight to read it first. Just wish we could remember all the great stories & their names so if we meet them at the Convention we'll relate. Thanks all you great people!

Sam Dominick, 907 Wilkinson Pkwy, Park Ridge, IL 60068-2432

Thanks for all the time & effort put into the RUAEA Newsletter, enjoy reading it also appreciate all the updates on United.

With this birthday, I have enjoyed 15 years of retirement, it has been just great being my own boss & scheduling each day as I see fit. Thanks again.

Colin A. Cooke, 12823 Anderson Hill Rd, Clermont, FL 34711

Re. the letter on p. 38, April issue. Sorry I e-mailed you without identifying myself. Mistakenly I thought I had ... now I know what "thought" I did. Surprisingly, on p. 39 are letters from two I

have known. First was "Bud" Simon with whom I once worked in SFORQ. I endorse & cheer every word he wrote. The other on p. 39 was Frank Wood; at one time, I think, was in ORDMM. Our connection is that in retirement we were both elected as "leading gofers" in the Ocala basha of the China-Burma-India vets. association. We were both in Burma, but not at the same time & in different services. A few pages on are the names of two more I once knew. Trevor Hewes I knew in SFOOV when he was in SFOIQ. The next name was Ralph Nardone, formerly of Beantown ... to continue my Dec. & Jan. saga in NYC ... 5 days after returning I began to feel queasy, collapsed on the tile bathroom floor, split my forehead. Fortunately I didn't feel the blow, my brain having already turned out the light. Spent the next 14 days in hospital with bacterial pneumonia & circulation infection ... I found the RN's were no longer giving injections & hooking up the medical drips, this now being done by young ladies called medical technicians. I shall not forget them. One delightful young lady in particular had the delicate forearms of a barn builder. She was very adept at creating large bruises. I asked the lung surgeon where one catches pneumonia. He said it's everywhere we go but the most likely places to catch it today are on planes & trains. Anyway the 14 days in dock cost \$38,360. Room & board was (I have to clear my throat) -- \$837 per day, aspirin was of course - \$1 ea. Blood Pressure pills were \$7 per ... Through my ignorance & absence I allowed my UA medical insurance to lapse but still have drug coverage. My share of the total bill was \$912. Since it was my first hospitalization in over 20 years I didn't think my share was too damaging. In case anyone wonders, I checked med. Insurance with AARP to replace what I had lost with UA ... FUGGEDABOUTIT. Sorry again about the anonymity. Cheers.

Donald D. Draheim, 2401 Number Ten Ln., Chesapeake, VA 23323

Hi there - Greetings to all - Old "Zeke" is back - or still here. Ready to try another year. I used to think anyone that was 80 years old was a fossil - So now I'm about to find out. But I'm still viewing the grass from the green side, so I guess that is good.

I'm looking forward to another M&M summer

(mowing & mosquitoes) plus whatever else happens.

Count me in with all the rest that are grateful for the newsletter - Thanks to all of you that brings it to life. I don't have one of those dot-com machines that might give out United information. I am totally reliant on you all for the latest info. At times I feel like the old saying is best, "no news is good news", or "whatever will be - will be".

Betty Archibald, 720 Santa Paula Pl., Boise, ID 83712

Thanks for another year of getting the newsletter out to all of us.

Have just had a new knee & have been home from the hospital for a couple of days. Plan to be a little more active in the near future, I hope.

My daughter is here for me this week & some of my dear RUAEA friends have offered to give me a hand next week, bless them.

Frank Reed, O'Connor Woods - Oak Creek, 3550 Wagner Heights Rd #35, Stockton, CA 95209

I have been retired since Sept. 1982. Being a life member, I haven't had to correspond.

I like getting the newsletter, so I am forced to give you my change of address. While I am writing I'll enclose a small contribution to the postal fund.

My wife of 60 years now needs more care than I can give. The address above is a senior assisted living place, very nice.

Tom Lee, 14 Reynolds Ln., Kingston, GA 30145

Greeting to one & all system wide. In my 38 years career I have worked in quite a few cities PHL-LAX-LAS-SFO & back to LAXSK for the last 22 working years. I retired April Fools Day 1991.

Two hips & one knee replacement have left me pretty much handicapped but still very proud of our airline. "Where there is a handicap, there is a wheelchair".

Noria Gerig, 14413 Eagle Villa Grove, Colorado Springs, CO 80921

I want to express my thanks & appreciation to the volunteers of the PDX Travel Desk for the wonderful service they are providing for retirees.

**Joseph A. Butera, 1719 Fernwood Way,
Belmont, CA 94002-3636**

Say "hello" to Barbara Fisk. She played softball with Ollie Carlson, now my wife. Ollie Butera - Ollie started with UAL in 1944, resigned in 1961 to raise a family.

You guys are doing a good job. We need somebody at the helm who knows what's going on.

**Herbert E. Roth, 8419 N. Calle Tioga, Oro
Valley, AZ 85704-6505**

My birthday will be next month ... so ... thought I'd beat the "red stamp" reminder, for a change.

I pray everyone there, serving in the trenches, are doing well ... up and around & taking nourishment. ☺

Our prayers continue for "dear old United" ... and especially for all the current employees ... working under the stress of being the family wage earner, not sure for how long! Somehow, United will come out of bankruptcy, be a strong company for it. The most important thing to remember ... when confronted with problems or broken-ness, our human nature sometimes rationalizes the need to find someone to blame or criticize ... which is counter productive when the more immediate need is ... consider how to help find, or encourage, a solution.

Lest we forget ... "United" we stand, or divided we fall!!!

My best regards to Jo & others I may have had the great privilege of knowing at work.

**Bettie Boehme, 171 Oak Island Dr., Santa Rosa,
CA 95409-6333**

Thank you so much for all the pension update & phone numbers to call for travel. At present not able to travel because of spine deterioration but I'll need info if I travel in the future.

I see fewer familiar names are appearing in RUAEA Newsletters. Hello to all left that we knew. We have so many wonderful memories of those days.

I'm still in my home with 24-hour care. The ladies taking care of me are wonderful; I can't complain of the services. I've always loved eating in bed! No housework! It's like being on vacation, but no side trips!

**Don Hayden, 5700 Hayden Drive, East Jordan,
MI 49727**

The new address above is effective June 1, 2005.

After 17 years on the shores of beautiful lake Charlevoix, MI & for estate planning services, Hope & I are selling our lake front property & moving across the road to a five acre parcel that does not carry the tax load the lake frontage does. However, we are not downsizing but going bigger. Moving into a modular of 2300 square feet, but all on the first floor before our knees give out completely. Will have plenty of room for visitors. Trying to recruit the motor movers from our last move but they all refused for reasons too complex to understand. They told me they would help once, but future would be on my own.

Now in the early stages of macular disintegration in one eye only & planning an operation for late May to correct that problem. The operation will probably be on the day our modular arrives on site. Not good scheduling on my part but it will work out.

Kudos to the office staff for all their fine work. Almost went blind reading all the names of new members in the last two issues, but found several potential members of the Northwoods Loonies & inviting them to our biannual get-together in May.

**Christina S. Zielinski, P.O. Box 3545, Cathedral
City, CA 92235**

I have had so many problems with mail delivery that I have rented a P.O. Box.

My new mailing address effective immediately is above.

I never had the Feb. issue of the newsletter only the last page with the address label, however, I can't make it to the Convention anyway.

**Dodie Dickerson, 1915 Valdez Ave., Belmont,
CA 94002**

I enjoy the informative newsletter & appreciate all the work that has gone into it. I was so thankful to read in recent issues re. the Oregon Dew-ers - also Seattle retirees volunteering to handle calls re. listing. That has become increasingly difficult, esp. since everyone doesn't necessarily use a computer - which you need to find flight #'s for listing.

**Lew Dunning, 2561 Forest Meadow Lane,
Billings, MT 59102**

I didn't receive any "red stamp" on my April "Electronic" Newsletter however a memo popped up on my computer telling me I am another year older and it is time to renew my RUAEA membership.

Into my 4th year of retirement, enjoying every minute. With all that is going on in the Airline industry, it is a good time to be retired.

Thanks to the RUAEA officers & newsletter staff for the fine work they are doing. It really helps to keep everyone connected.

**Uel Soward, 5071 Scherbel Road, Black Earth,
WI 53515-9506**

I miss being with the members of Central Coast where I was their original correspondent. But, I am happy most of the time because I am busy all the time here. I have attended more parties & parades in less than 2 years than I did in the previous 50 years.

Enclosed is my check for postage for the next five years. I wish someone from RUAEA Newsletter could come to my birthday party that year (2010). I have arranged with a local band leader to be my MC. He said, "For you, there will be no charge!"

I will be 100 years old on April 29, 2010. My M.D. has promised to be there to watch me blow out that many candles! She has a great sense of humor.

When people ask me to explain my longevity, I tell them "No alcohol, no caffeine & no tobacco with plenty of TLC."

**Connie M. Lynch, 5500 E. Mansfield Ave.,
Denver, CO 80237**

Always enjoy receiving the RUAEA Newsletter. Having been away from United since 1976 there are fewer & fewer names I recognize.

Thanks for giving of your time & talents.

**James Svajdlenka, 3417 South 252 Place, Kent,
WA 98032**

Thank you for all of your good work in producing this fine newsletter. If there was an award for the publication you would take first place in my opinion!

It is a pleasure to read your articles & I look

forward every month to receiving it. Sort of like a child receiving a new toy.

Welcome aboard to all the new members.

**Valerie Jones, 209 Eagle Trace Drive, Half
Moon Bay, CA 94019**

Sorry to be late with my dues - my only excuse is that I have just returned after being out of the country for nearly a month. Went to take care of my mother who will be 89 this year - hopefully she has passed on her good genes to me!

Thank you for the newsletter & all the good work you do; I appreciate the fact that Marlin & others are getting involved, representing us during difficult times for all of us.

**Suzi Harrison, 2130 Upper Pack River Rd.,
Sandpoint, ID 83864-5913**

Aloha Y'all,

This is another note of extreme appreciation, gratitude, Aloha for all of you who put out our Newsletter! I would be lost without it! I am still "electronically impaired" - no cell phone or computer - all by choice. Just returned from doing my "umpteenth" Great Aloha Run-Walk in HNL. Is there a better word to describe the weather than "PERFECT!" It was! Have enjoyed the camaraderie of fellow retirees: Celeste Reames, Phyllis Okawa & in Oct./Nov. Susie Sutton, Ann McKee & Healani Paaluki. My hanai Mama, Genoa Keawe, continues to charm her audience at the Waikiki Marriott Hotel Poolside Lounge Thurs. 6pm-9:30pm - she's 86 years young! Go enjoy her beautiful voice! Praying for UAL to recover! Bless us all! Mekealoha Pumehana (warmest love).

**Jim & Barbara Karibo, 8821 E. Rosemont St.,
Inverness, FL 34450-7314**

Well, I did it again. Almost a month & a half after the birthday the light bulb goes on - DUES TIME. Sorry I am late again. At least I am consistent. All is well in FL - even after 4 hurricanes. Still working for the Citrus County Sheriff's Office, having been sworn in as a Public Service Officer. It keeps me busy & out of bars. Keep up the good work with the newsletter, especially at this time with all that is going on with the company. Have a great year, maybe next year I will be on time!

**George B. Lackemann, 2885 Goat Creek Rd.,
PMB #2012, Kerrville, Texas 78028**

I do want to pass on my compliments as to the fine work you are doing on keeping us informed. As RV full timers since my retirement; we especially enjoy being able to get the Newsletter via the Internet. Each morning I look forward to receiving my daily update from Dale Harper.

**Bernard J. McNamee III, 471 Prospect Rd.,
Springfield, PA 19064-2909**

Just a short note of thanks to you Jo for the lovely note of accolades you sent to the Independents when I relinquished my Presidency; note, I said relinquished not resigned. After 14 years I felt we need new blood. Joe Bradley is our new Pres.; Tom Lyons our new Treas. Tom worked with us on the Philly Convention team. I also want to thank the M&M's for making that trip up from FL; Marilyn & Marlin Lade, in Dec. for our Christmas luncheon. Also Jeri Juth coming into Philly from PIT. I think she was checking out the Philadelphia Eagles. It was, and still is, a wonderful group we all work with. A big big thank you to all. Then after all this they made Frank & me VPs. I believe there is a song out there "you'll never get away" by Teresa Brewer.

Have a good time in Hollywood.

**Harlen G. Crane, 7618 Circle Pkwy.,
Sacramento, CA 95823**

Birthday month & thanks for the reminder, 81 this time. Thanks for the time & hard work you folks put in publishing the newsletter. It is my primary source of information concerning UA & retiree benefits.

**Orland C. Brown, 1675 E. Dorchester Court,
Palm Harbor, FL 34684**

Pat & I are getting settled in our new home. A half mile away from our last home. We're still in Highland Lakes, a subdivision of Palm Harbor, FL. Pat has asthma so we had to get rid of the carpeting & mini blinds also to have laminated flooring & vertical blinds installed for dust control.

I hope United can find a way out of bankruptcy without taking any more of our retirement benefits. The new membership list has grown quite a bit. I want to thank everyone involved in the Newsletter for keeping us informed.

**Rosemary Bischof, 2315 Pitt Ave., Johnstown,
PA 15905**

Many thanks to Marlin Lade & the RUAEA staff for their dedication & hard work to keep us retirees attuned to the latest happenings with United Airlines, the company we were so proud to be associated members.

The RUAEA organization keeps us still UNITED; for this we are very grateful.

**Keith L. Georgeson, HCR #1, Box 572, Trinity,
CA 96091-9703**

I would like to thank you for inviting me to join your association. Since United went into bankruptcy it has become very difficult to obtain information as to what is going on within the Company. Your newsletter fills this need very nicely. The news from other Retirees around the county is also enjoyed.

**Lewis Brubaker, 9860 White Sands Pl. SE,
Bonita Springs, FL. 34135-6879**

It's time to renew the newsletter. I don't know where the time goes but it sneaks up on me faster as the years roll by.

Carol & I are both in our 80's - outside of few aches & pains are doing very well.

Thanks to you & your staff for keeping us up on the latest news.

**John Sedell, Royal Oak #204, 2180 Poplar Dr.,
Medford, OR 97504**

My new address is above. This is a retirement home, but it sure required the usual downsizing to get in a much smaller place.

**W. J. Plank, 2280 Skyfarm Dr., Hillsborough,
CA 94010**

Hi, to Jo Madden:

I haven't seen you for years - Finally glad to be a member of RUAEA.

Jo - A great publication.

**Lucille S. Nesbitt, 970 E. 700 S Apt. 39, Saint
George, UT 84790-2012**

I am writing this for my sister, Lucille Nesbitt, who is ill.

She wants to express thanks & appreciation to all who do so much to make this newsletter informative and interesting. (Signed by Claire S. Shuholm).

**Mel Wehrle, Apt. B, 1192B S. Eagle Cir.,
Aurora, CO 80012-4754**

Thank you for all your hard work, esp. these days of many plights in the airline industry. The pension info is informative as well as other issues, it is greatly appreciated. Keeping up with finances, health & wellness plus helping a friend in his business keeps me busy, as well as commuting to & from my property in Colo. City.

Keep up the good work!

**Ed & Marge LeClaire, 84 Mailoux Terr.,
Dracut, MA 01826**

We appreciate the updates on UAL happenings. We especially enjoy reading the letters of the ageless retirees and their many continuing travels. We sympathize with & remember in our prayers those who cannot take trips & are more or less homebound.

Last March Ed had a setback, but is doing OK now.

We traveled a lot while Ed was working (Thank you, UAL). Now, we relive these many trips through slide, pictures & memories. We're looking forward to our next issue of RUAEA newsletter, as usual. Thanks to all the dedicated workers who see that the many retirees receive all the latest info.

**Jerry & Linda Kauhane, 47-730-5 Hui Kelu St.,
Kaneohe, Hawaii 96744**

It is so much fun to read the bios from other retirees. It is sad that the new generation of employees do not have the experiences of FAM trips with other airlines or the camaraderie we had with each other.

I was able to go to the Bahamas with Eastern Airlines when I first started in reservations in Buffalo, NY in 1967, by Jan. 1968 I was transferred to Honolulu Reservations where I worked in reservations, then in 1973 I went to the Waikiki Ticket Office as Lobby Agent for 1 month, then back to reservations, where I headed the Group Desk for 16 years, then back to Reservations, then Mainliner Desk, finally retired from the Service Director's Desk in 2003. What a wonderful career with a wonderful Company! During those years I got to go on FAM trips with Pan Am to Hong Kong, Sydney Australia & Tahiti. I went with American to a Boston Clambake & weekend in New Orleans on Delta. We took a group of travel

agents to SEA to experience the local culture & sightsee Fisherman's Wharf, the Locks', got caught in a blizzard at Mt. Rainier. The new employees just do not get to experience the same things. It was not just a job it was a career. We were very proud to work for an airline and attend the different host sponsored Interline Parties.

We also were invited by Air Cal to play in a Women's softball tournament which for many years resulted in traveling among the different States with different Hosts for tournaments. We hosted a big tournament at Kapiolani Park for many years.

I went through 4 Res. Managers during my career, Joe Chess, Russ Jones, Randy Ko & finally Jackie Shook. I worked with some wonderful Sales Reps who were such an integral part of making this Company the success it was, Bruce Bolten, Walter Soga, Jack Ercanbrack, Dave Nichols, Don Keim, Steve Allen, Chester Kahapea, Ethel Kam, George Archer & Bill Speicher. Does this bring back any good memories from the "Good Ole Days"? Also the Hawaiian Open & the Hula Bowl when United was one of the main sponsors. How about the Carol Kai Bed Races in Waikiki. I believe United won the first one in 1973.

Let's pray United finds her way back before they touch any of our Pensions.

**John & Pearl Robb, 21966 Dolores St. Apt. 154,
Castro Valley, CA 94546**

I am sending my dues before the red reminder. \$10.00 for postage. We are doing OK for us. I am now on dialysis 3 times a week but I feel much better since starting. We have moved into an independent living complex & like it very much. Thanks for the newsletter. Hope United can still pay the retirement checks. At least the Medical Insurance.

**Betty Locke Koch, 6761 Jardines Drive,
Huntington Beach, CA 92647**

A note to say thank you for all you do to keep "the family" of United in touch. Your efforts are really appreciated.

Glad to see so many new folks coming onboard. Lots of names from the past that bring back such great memories.

Virginia G. David, 15 Driftwood Trl., Half Moon Bay, CA 94019

I do want to say that for the past couple of months my newsletter has not arrived in a timely manner. I agree with Bill Liberto's letter in the Jan. issue about late delivery. Here it is March 12 & my copy has yet to be delivered. Hope this is a temporary situation!

Jim W. Jenkins, 1917 S. Xenon St., Lakewood, CO 80228-4351

I have been retired 17 years as of April 1. I still paint landscapes & give them away. I can't thank the mailing team enough; I can keep up with friends & co-workers. Barbara & I moved back to CO. We do not travel very much as we enjoy our home so very much.

Linda Fields, 13298 Royal, Oregon City, OR 97045 - clem1709@yahoo.com

Let me add my thanks along with everyone else for our excellent informative newsletter.

I retired in 2000, my husband & I moved from IL to OR. Last year I attended my first RUAEA convention in SEA. I had a very good time & highly recommend it; the bus tours were great. I enjoyed seeing the photos in the newsletter. I saw a few people that I used to work with. Among others, Irene Miller, who worked with me in CHIRR in the 1970's.

Bernie LeDoux, 13525 Briar Hollow Drive, Austin, TX 78729-1913

The years have gone by so fast. I have been retired for almost 17 years. Each month, I look for names in the newsletter that I can identify, but now they dwindle to a very few.

Hopefully UAL will survive & come through with "flying colors." Our heartfelt thanks and gratitude to the diligent staff for their work in getting this newsletter to us every month.

My wife & I have done very little flying during the past year, but we are planning a trip to France & Italy this spring.

I manage to keep busy with volunteer work for 2 different organizations several times a week. I was recently slowed down, however, because of right shoulder surgery for a rotator cuff repair.

Paul Bellinger, 254 NW Douglas St., Dallas, OR 97338-1019

Greetings,

Well, you finally got me with the red stamp. First time that's happened; I'm fairly certain it won't be the last! Seems like procrastination has slowly become a part of my life in the past year. It's sort of like, why do today what I can put off until tomorrow, ... or later yet. I'd better get the check in the mail before I decide to put it off until tomorrow, or forget it completely.

Hope this finds you all well & finding time for some relaxation, at least once in awhile. As busy as you all must be, I can't imagine how you would find the time. The job you do & your dedication are truly amazing. You are all shining examples of PEOPLE & ATTITUDES that made United a great airline. My wish is that this "Bankruptcy Thing" is resolved successfully & the benefits we all earned & were promised remain intact.

A "Thank You" hardly seems adequate for all you do to keep us retirees informed but please accept my heartfelt Thanks.

Richard Riedl, 604 Hillpoint Way, Brandon, FL 33510

I can't believe it. I have been retired 10 years; it seems just yesterday I was pitching bags, looking for a supervisor to ask for a lunch or coffee break.

Things really haven't changed, the only difference is I ask Sue instead of my supervisor.

Keep up the good work.

Paul & Humby Steuri, 17112 Chalet Drive, Bellevue NE 68123

Thanks to all of you in DEN for sending out the wonderful newsletter each month.

Humby & I stay home at the beautiful Chris Lake, feeding & watching the birds.

2005 started pretty bad for us. On Feb 4, I fell & broke my right hip. I was hospitalized for 5 days. It was the first time I had to eat the "famous hospital food" on my birthday. I'd rather have had a good steak dinner with Humby, & a good glass of wine.

Now I am in Plattsmouth Manor Rehab Center; hope to be home with Humby soon. That's the way life goes, some good years, some bad ones.

Keep up the good work.

With good wishes & Happiness to all.

**Kathryn E. Mazzola, 570 Sequoia Dr., Los Altos,
CA 94024-7148**

I'm sending my annual dues (plus some postage) along with my big thanks to you & all the dedicated people who work tirelessly to produce the great RUAEA newsletter. It's a wonderful source of communication & information.

I'm in my 23rd year of retirement, enjoying this easy, wonderful life.

**Charles Wilks Sr., 1397 Sweetgum Cir., Keller,
TX 76248**

Greetings from the state of TX where spring has sprung. Flowers in bloom, trees & grass are green again. I have been retired for 14 years. I'm glad we didn't have all these problems when I was working. Air Traffic Control was the big deal back then. I feel sorry for all those people I worked with who are still active. I am remembering to send in my dues before I have to be reminded.

Thanks for keeping us up-to-date on all the news, otherwise we would hear very little except for American, Continental & Southwest in my area.

I appreciate all of the hard work each of you do in getting out the newsletter each month.

Thanks a million!

**John M. Bateman, 95 Pioneer Ct., San Ramon,
CA 94583-2058**

Thanks for your newsletter in keeping us informed of United changes - keep up the good effort.

I use to think that United would make it but I've lost my confidence in them ever making it. They continue to outsource all the basic maintenance that helps keep this airline functioning. They claim that they are saving 10-30% but when sometime in the future they look around they will find that the bottom line is failure.

At a time when benefits are decreasing they reward upper management with a bonus?

Sorry to be so down on United's future, but the truth hurts.

**Caroline Garibottis, 629 Indian Way,
Barrington, IL 60010**

Wow, almost missed paying my dues - Since I get my newsletter via e-mail - I totally forgot.

Keep up the good work - Really appreciate all the up-to-date news.

**Theresa H. Groh, 103 Fleet Landing Blvd.,
Atlantic Beach, FL 32233-4585**

My husband, Stan, and I are still up & about.

Next week we're off to board ship & cruise along the coast of the European countries along the Mediterranean sea - Then back to FL to enjoy our home in Atlantic Beach.

At my "old" age I'm sure no one remembers me - But at United I was known as Tiz Taylor.

Hope you all are enjoying life as much as Stan & I do!!

**Nancy Ink, 3035 NE 18th Ct., Gresham, OR

Thank you for all you do to keep us posted on what's new at United - Always look forward to reading the latest edition of the Retirees Newsletter.

I truly appreciate your keeping us retirees informed of company news, especially in these troubling times for United.

Your efforts & hard work are very much appreciated.
